

To: Mayor Tosel and fellow city council members

Date: 7/8/2020

It is with deep regret I am announcing my resignation as city council member for the City of Appleton. I have been honored to represent the city of Appleton in this capacity, so please know this is not an easy choice for me. I have had unexpected health related issues, which require me to prioritize my work, school, family, and extra commitments and therefore I must submit my resignation. I would like to thank the city and community for this opportunity and I do not take my resignation lightly.

Sincerely,

A handwritten signature in black ink, consisting of a large, stylized 'C' followed by a series of loops and a long horizontal stroke.
